Bug Report

Bug ID: N1

Bug Summery: I can't add picture in the "Image Poll" section.

Environment/URL: iPhone 7

Operation System: iOS 14.4.2

Version: Betta testing

Browser:

Submit Date: 6/14/2021

Reporter: Alina Simonyan

Steps to Reproduce:

1.Instal the app on my phone screen

2.To touch "dzain" app

3.I am create my "Profile"

4.Push "+" button

5.Choose "Image Poll" button

6.Choose "Categories"

7.Push "image1" field.

Expected Result: On the screen should be display "Приложение "dzain" запрашивает доступ к Фото" message.

Actual Result: On the screen not displayed above message.

Screenshot/video:

Notes: This problem also occurs when you do a few actions in a mobile app and then create "My Polls".
